Working for the full inclusion of all the baptized in all the sacraments.

## The Organization

Integrity is the leading public voice for the full inclusion of lesbian, gay, bisexual, and transgender (LGBT) persons in the Episcopal Church. Founded in 1974 by Dr. Louie Crew, Integrity has grown to become an organization with members across the country—LGBT and straight, rural and urban, in congregations large and small. Integrity fulfills a key uniting role, seeking to bring together individuals and congregations who share the vision of a church in which *all* the baptized are fully included in the Body of Christ.

Over the years, its ministry has expanded beyond the Episcopal Church. It has also become a respected voice for equal civil rights. Often working in coalitions with both secular and other faith-based groups, Integrity has been instrumental in advancing the claim LGBT persons are making for equal protection and opportunity in our society.

*Sharing God's inclusive love with the Episcopal Church and the LGBT community.*

## The People

Integrity is a community comprised of straight and LGBT persons...singles, couples, and families with children...and laity and clergy who share a common mission of justice and are moved to action by a vision of a truly diverse church and society. You may be blessed to worship in a church where the dignity of LGBT people is fully respected and their full participation in community life completely welcomed...but that is not yet the reality everywhere. Prejudice and denial still greet too many who simply want to walk their faith journey with integrity.

*LGBT people and straight people... together.*

## The Invitation

Integrity is working hard to build on its long and successful history of advocating for LGBT issues and networking with other voices for justice within and beyond the Episcopal Church. With your help, we can continue that work with even greater strength and vitality, securing the gains of past decades and making new advances toward the day when all God's children are safe, welcomed, and affirmed.

Please consider joining Integrity today. Both annual and lifetime memberships are available. Whatever your membership contribution, your support will be put to work immediately, supporting volunteer efforts and educational and service programs across the country.
